This year we are unable to provide display space at our Synod Assembly venue. We are offering two different options to share information. 1) A slide that will be shown on a large screen in the fellowship space. This should be in PowerPoint or PDF format. 2) Pre-printed materials (no larger than 8.5 x11) to be provided to each attendee on site (300 copies recommended).

Application deadline is May 6, 2016. Acceptance notifications will be sent shortly after the application deadline. Those accepted must provide the slide and/or 300 copies of printed materials to Katharyn Wheeler no later than June 3, 2016.
