

Third Time Visitor E-mail

Hi !

I'm really glad that you've been worshipping with us here at Prince of Peace! I hope that you've been finding worship with us to be fulfilling and that you're feeling at home here. At Prince of Peace, an overall goal of our mission as a Christian community is to help and encourage people to become more fully connected to God and to one another, and I especially try to ensure that this happens for people who are new to our congregation.

So, I'd really like to have an opportunity to meet with you for about 45 minutes so that I could learn more about you, and also answer any questions you might have about the congregation. I often find that in these kinds of conversations, I can help folks to connect to people and activities that will be helpful and meaningful in their lives.

I'd be happy to meet with you at your home, here at church, or over coffee somewhere else if that would be more convenient. Would you please let me know if there's a time and place sometime soon that would work for you, and we can sit down and have a chance to talk?

I look forward to seeing you again soon!

Yours in Christ,

Pastor Steve
