How to Set Up a Watch Party on Facebook

A few things to be aware of:

- You must be an admin or editor of the church Facebook page, in order to set up a watch party.
- Unfortunately, it is not possible to pre-schedule your watch party, since the Synod worship video will not be live until 4:00 PM on Sunday.
- This is best to set up on a desktop rather than a smartphone.

Instructions:

1. Go to the Page you want to host a watch party from.
2. Click in the Write a Post box to open the composer.
3. Click on *Watch Party*.
