

# Racial Equity Work

## of the Metro D.C. Congregations

Below is a list of various activities and ministries that congregations from around the Metro D.C. Synod have participated in, to further their racial equity work. Some of these were led by a racial equity team already assembled in the congregation, others were led by dedicated members who wish to make racial equity work integral to the work of the Church. Links to examples and resources have been provided where possible as well.
